

North Tyneside Council

Maths (Entry 1 / Entry 2)

Enrolment Requirements

For more information or to apply ring (0191) 643 2288
or to apply online go to www.northtyneside.gov.uk/ala

This course allows you to brush up on your written and spoken English.

You must attend for an assessment before you start the course.

These courses are free.

What will I learn on this course?

You will be invited along to an initial assessment to find out what you need to work on and agree your learning aims. For example, you may need to:

- Read and write numbers
- Add and subtract
- Recognise selected coins and notes
- Work with basic measurement and shape

Assessment

Awarding body: City and Guilds

The aim of this course is to improve your basic maths skills. They are assessed using assignment tasks.

Course Length

You may need just a few weeks of practice or up to 72 hours of tuition – it's all free.

Attendance

In order that you will be able to successfully complete your qualification it is essential that you attend 90% of the taught sessions, so please think carefully before enrolling on this course if you have work or other commitments that may interfere with your attendance.

What else do I need to know?

You can begin at any point in the year and you will work towards the following qualifications: Maths level 1 or 2 – laying the groundwork and brushing up on the basics.

What could I do next?

You could move up to the next level in maths or onto an English course.
