

Adult Learning Courses from April to July 2019

Introduction

Welcome to our adult learning prospectus for summer term 2019.

Learning at any time of life has never been easier. This prospectus offers a range of daytime and evening courses taught by experienced teachers in convenient locations.

The prospectus includes a wide range of courses with opportunities to improve your existing skills, enhance job prospects or simply try out something new.

North Tyneside Council's Adult Learning Service has recently received a glowing report from Ofsted for the outstanding support it has provided to adult learners.

Elected Mayor Norma Redfearn CBE said: "This is a great time for residents to study in North Tyneside and reach their full potential. I would urge you to take advantage of courses like these, where you're sure to pick up plenty of new skills and meet lots of new people."

All of the courses on offer have been designed to offer great value for money. Many learners will find that they will be able to study for free, or at a reduced price.

For further information, or to enrol on a course.

It's as easy as...

1. Choose a course from our wide range of subjects in the table in the centre pages
2. Find out how much it will cost (details are available in the table)
3. Call **0191 643 2288** or request a call back **www.skillsnorthtyneside.org.uk/contact**

Visit our website **www.skillsnorthtyneside.org.uk**

Apprenticeships make business sense

From a business perspective apprenticeships offer a cost-effective route to harness new talent and increase your competitiveness.

Apprentices can help your organisation increase productivity, improve systems, ensuring you have a committed competent workforce to meet future challenges.

The programme can also offer the following benefits:

- Fills skills gaps - 'grow your own' staff and help avoid skills shortages
- Flexible training to suit your business with minimal days off site
- Reduce staff turnover and costly recruitment costs
- Potentially all training is fully funded

North Tyneside Council will support your business at every stage from your initial enquiry to celebrating the successful achievements of your apprentices

We will guide you through the recruitment process including advertising and initial screening of candidates we also provide ongoing support and guidance throughout the apprentice's training.

If you would like to discuss any aspect of the apprenticeship programme and how North Tyneside Council's Employment and Skills service can help your business please contact our experienced apprenticeship team to discuss.

English and maths

We have a wide range of English and maths courses available across North Tyneside at all levels up to Functional Skills level 2. The majority of these courses are free. Classes are delivered in small friendly groups and you will be fully supported to achieve your best and progress onto other courses.

Functional Skills English and maths

- Daytimes and evenings throughout the week
- Convenient locations
- Small classes

Study English and maths at a level to suit you and gain a nationally recognised qualification. You will be fully supported to do your best.

You can start a Functional Skills course at any time in the year. GCSE English and maths courses begin in September, but you can prepare for these in advance by enrolling onto a Functional Skills programme in the summer. Courses run on various days and times to fit in with your life and work. All courses give you the opportunity to gain a qualification.

GCSE English and maths

- 30 sessions
- Evening sessions
- Small classes

These courses cover all essential topics for you to gain a GCSE qualification.

Evening classes for busy adults

Enrolling in evening classes is a great way to learn new skills, meet new people - and to finally start making your free time 'me' time!

What's one thing that you wish you could do better? Perhaps you've always wanted to learn a new language, but just never felt you had the time?

Or maybe you have an artistic streak that's just begging to be discovered?

Distance learning for 19+

Trying to study around work and family can be hard. Why not study flexibly through distance learning?

North Tyneside Council's Adult Learning Service has a number of accredited distance learning courses which could suit you. Whether you are looking to up skill or expand your horizons why not take a look at what we offer.

Mindfulness

Want to learn how to reduce stress and anxiety, enjoy the world around us, experience things afresh, stop being controlled by repetitive negative thinking and celebrate the present rather than regretting the past or fearing the future.

Our mindfulness course will help you to understand and be able to practice this contemporary therapy and life skill concept; we have courses running throughout the year across North Tyneside.

Interested in working with children?

We provide a number of courses that prepare you to work either in the early years sector with children 0-5 years or in a school environment with children aged 5-18.

There are different levels available to you depending on your experience; we can provide advice on the most suitable course for you. Our courses run throughout the year across North Tyneside.
