Advanced Apprenticeship in Business Administration

North Tyneside Council

Enrolment Requirements

For more information or to apply ring (0191) 643 2288
or
to apply online go to www.northtyneside.gov.uk/ala

In order to enrol on this course you **must** be in paid employment in a business administration role, which allows you the opportunity to meet the full requirements of the level 3 apprenticeship. Your administrative role **must** allow you to develop, implement, maintain and improve administrative services and you will also be required to manage a project for part of your apprenticeship. To qualify for entry onto level 3 you will already hold a level 2 vocational qualification in a related subject or will have at least 12 months experience in a relevant role. You will be required to achieve a Level 2 standard in English, maths and ICT by attending weekly classes at one of our centres until completed. If you have existing English, maths or ICT qualifications that may exempt you from functional skills original certificates must be seen before your apprenticeship begins to identify whether they adequately qualify the apprenticeship requirements. You will be assessed before starting the programme to ensure the above qualifications will be achieved within the time frame of your programme.

What will I learn on this course?

You will learn the underpinning knowledge through blended learning, consisting of group training sessions, digital learning and tutorials carried out in the workplace.

- Business regulations, legislation and compliance
- Verbal, written and digital communication skills
- Creating, producing and writing business documents
- Principles of Project Management
- Organising and providing support for meetings and events
- Information and data management
- Collaborative team working skills
- Coaching others
- Continuous Professional and Personal Development
- Providing customer service excellence
- Extended English writing, maths and ICT skills, relevant to business
- English and maths functional skills, if required

With coaching and support from your employer and your tutor, you will apply this knowledge to your organisation's standards and to your specific administrative role to meet the requirements of the apprenticeship.

Assessment	End Point Assessment Centre: City & Guilds
Your knowledge, skills and behaviours will be assessed at the end of your apprenticeship, by a multiple choice exam, a portfolio based interview and you will deliver a presentation and answer questions about the project you have completed.	

Course Length
The Advanced Apprenticeship in Business Administration is completed within 20 months.

Attendance
You will be working in a business environment, receiving on the job coaching and training in the workplace and will attend the training centre for monthly training sessions in business administration and, if required, weekly sessions in functional skills. You will be using digital learning materials and will be required to complete tasks and upload these to your e-portfolio, during allocated off the job training.

What else do I need to know?
The course will extend your knowledge, skills and abilities, which in turn will enhance your career prospects enabling you to be a valuable part of any business. All training materials will be provided at the training centre.

What could I do next?
You will be able to progress to a level 4 qualification if you secure a job role that suits the requirements. Please ask your tutor for further information.

Important Information for Employers
<p>The apprentice must be employed for the 20 months duration of the programme. They will require an allocation of 20% off the job training time to enable them to complete coursework and assignments. At the 12 – 18 months stage of their 20 months programme, the level 3 apprentice will be prepared for the apprenticeship gateway and End Point Assessment. This will involve a 2 week intensive period of study, revision and tutorials with their assigned tutor.</p> <p>To complete their apprenticeship, your level 3 apprentice business administrator will be required to support functional areas, work across teams and resolve issues as requested. They will be required to manage stakeholders, organise meetings and events and write business correspondence. They will learn to understand financial processes, record and analyse data and create business documents. As part of their end point assessment, they will have managed a project to implement changes and have demonstrated responsibility, flexibility, and reasoning to make decisions appropriate to their level of authority.</p> <p>More information can be found here: <u>Institute for Apprenticeships and Technical Education / Business administrator</u></p>

North Tyneside Council

Advanced Apprenticeship in Construction

Enrolment Requirements

For more information or to apply ring (0191) 643 2288

Higher Advanced Apprenticeship in Management

North Tyneside Council

Enrolment Requirements

For more information or to apply ring (0191) 643 2288
or
to apply online go to www.northtyneside.gov.uk/ala

This is a level 4 qualification and requires suitable academic ability to cope with this apprenticeship. In order to enrol on this course you **must** be in paid employment in one of the following roles; manager, head of function or area manager to ensure it fits the requirements of the apprenticeship. It is expected that level 4 higher apprentices will have some experience of working at a junior or middle management level to ensure they have the suitable foundations on which to further build their knowledge and skills. Learners are also expected to have some line management experience. You will attend a monthly hub session to support the completion of your management qualification. You will be expected to be working at a good level of English and maths (GCSE standard) due to the rigours of the assessments. You will be assessed before starting the programme to ensure the role and your academic level can cope with the level of the qualification.

What will I learn on this course?

Managers at level 4 play an integral role in developing and supporting organisational objectives through a wide range of functions, such as: managing team dynamics, delegation and capability building, planning and managing projects, and managing budgets.

During your apprenticeship you will develop knowledge in the following areas:

- Principles of building respectful and productive working relationships in organisations
- Managing personal and professional development
- Principles of management and leadership in organisations
- Operational and human resource planning and management

Assessment

Awarding body: NCFE

You will attend training monthly sessions, where you will learn the underpinning knowledge and will access One File e portfolio during your off the job time in the work place to complete assignment work.

You will be assessed by assignments, online exams and practical observations.

Course Length

This apprenticeship can usually be completed in 2 years.

Attendance

You will be working in a management environment, receiving training in the workplace and will attend the training centre for monthly training sessions in management. You do not need to complete English or maths qualifications but it is expected that you will be working at GCSE level to cope with the academic requirements. You must attend all sessions.

What else do I need to know?

This is a level 4 qualification and you will be expected to write assignments to this level. There are several assessments during the programme and it is important you secure support from your employer and have time to complete these assessments before enrolling on this programme.

What could I do next?

The Level 5 Higher Apprenticeship in Management & Leadership
Further or higher education to undertake business related or other qualifications, including: Foundation Degrees in areas such as management and leadership, business, business management, and business administration.

North Tyneside Council

Higher Apprenticeship in Project Management Level 4

Enrolment Requirements

For more information or to apply ring (0191) 643 2288
or
to apply online go to www.northtyneside.gov.uk/ala

In order to enrol on this course you **must** be in paid employment in one of the following roles Project Manager, Project Coordinator, Project Executive or Project Support Officer which will ensure it fits the requirements of the apprenticeship. Your role might include overseeing project development, defining project scope and timescales, budget management, managing resources, quality assurance, risk management, engaging stakeholders and analysing change. Your Project Coordinator role might include tasks such as quality assurance, fulfilling organisational and project aims, project coordination, assessing and controlling risks, reporting and managing budgets, research and analysis. You will attend a monthly hub session to support the completion of an APM qualification that is equivalent to the first of a degree. You must have achieved suitable passes at GCSE in maths and English to be able to cope with the academic level of the programme. You will be assessed before starting the programme to ensure the above qualifications will be achieved within the time frame of your programme. You must be at least 18 years old due to the complexity of certain projects.

What will I learn on this course?

Project Managers play an integral role in supporting organisational objectives through a wide range of functions.

You will also develop knowledge in the following areas:

- Principles of project management
- Project stakeholder management
- Project communications
- Business case, project structure and progress monitoring
- Managing project scope
- Managing project schedule
- Managing project finances
- Managing project risk
- Managing project quality
- Managing project resources
- Provide leadership and direction for own area of responsibility
- Plan, allocate and monitor work in own area of responsibility

Assessment	Awarding body: EAL
<p>You will attend training monthly sessions, where you will learn the underpinning knowledge and will access One File e portfolio during your off the job time in the work place to complete assignment work. Trainee Project Managers will need to pass two externally set assignments and one invigilated exam lasting three hours. You will also undergo work place assessment through observation of practice, questions and answers and self reflective accounts on the role of a Project Manager</p>	

Course Length
<p>The Higher Advanced Apprenticeship in Project Management will be completed within 24 months</p>

Attendance
<p>You will be working in a Project Management environment, receiving training in the workplace and attend monthly sessions with the training provider. You must attend all sessions. You must also have agreement from your line manager to be able to complete work during your contracted time that equates to 20% of your contracted hours.</p>

What else do I need to know?
<p>The course will extend your knowledge, skills and abilities, which in turn will enhance your career prospects enabling you to be a valuable part of any business. All training materials will be provided at the training centre including a work booklet and eportfolio system.</p>

North Tyneside Council

Intermediate Apprenticeship in Carpentry and Joinery

Enrolment Requirements

For more information or to apply ring (0191) 643 2288
or
to apply online go to www.northtyneside.gov.uk/ala

In order to enrol on this course you **must** be in paid employment in a construction setting. You will be required to achieve a Level 1 standard in English and maths. You will attend knowledge and practical sessions in carpentry & joinery to support progress towards your qualification. You will be required to achieve a Level 1 standard in English and maths by attending weekly classes at one of our centres until completed. If you have existing English and maths qualifications that may exempt you from functional skills, original certificates must be seen before your apprenticeship begins to identify whether they adequately qualify the apprenticeship requirements. You will be assessed before starting the programme to ensure the above qualifications will be achieved within the time frame of your programme.

What will I learn on this course?

This qualification is aimed at people working in a construction role. This course will cover:

- Carry out safe working practices
- Communication with others
- Building methods and construction technology
- Install first fix components
- Lay flooring
- Stud partitions
- Door lining and frames
- Install roofing
- Install second fix components
- Fix skirting board and architrave
- Hang doors and install ironmongery
- Kitchen fitting
- Power tools and hand tools
- Carry out maintenance

Set up and operate circular saws.

Assessment**Awarding body: NOCN**

Assessments will be through an end point assessment centre who will carry out an observation of performance in the workplace and written knowledge test at the end of the on programme training. You will also need to achieve your level 2 NVQ in Carpentry and Joinery as part of your apprenticeship where you will be assessed in the workplace through direct observation. You must attend training sessions where you will learn specialist joinery skills on a weekly basis until the end of your apprenticeship. You must be in the correct role to be able to achieve the full qualification; this will be discussed with your line manager. Progress will be tracked using an online e portfolio which must be accessed when required.

Course Length

The level 2 apprenticeship in construction is usually completed within 24 months.

Attendance

You will be working in a construction environment receiving training in the workplace and will attend the training centre for sessions in joinery and carpentry and Functional Skills on a weekly basis. You must attend these sessions.

What else do I need to know?

The course will extend your knowledge, skills and abilities, which in turn will enhance your career prospects enabling you to be a valuable part of any construction business. All training materials will be provided at the training centre.

What could I do next?

You will be able to progress to an Advanced Level Apprenticeship in Construction.

North Tyneside Council

In order to enrol on this course you **must** be in paid employment in a customer service role that fits the requirements of the apprenticeship. You will attend a monthly hub session to support the completion of your customer service qualification. You will be required to achieve a Level 1 standard in English and maths by attending weekly classes at one of our centres until completed. If you have existing English or maths qualifications that may exempt you from functional skills original certificates must be seen before your apprenticeship begins to identify whether they adequately qualify the apprenticeship requirements. You will be assessed before starting the programme to ensure the above qualifications will be achieved within the time frame of your programme.

What will I learn on this course?

This qualification is aimed at people working in a customer service role. This course will cover:

- Employment rights and responsibilities
- Employment legislation and following procedures
- Customer Service legislation
- Working in a customer service environment
- Telephone techniques
- Working in a team
- Developing customer relationships
- Communication skills
- Functional Skills

Assessment

End Point Assessment Centre: City & Guilds

You will be assessed by an independent end point assessment centre at the end of your on programme training, usually after 14 months. You will be required to complete an e portfolio of evidence to support a showcase at the end of your programme and participate in a professional discussion and practical observation. You must pass all of these criteria to achieve your apprenticeship.

You will attend training monthly sessions, where you will learn the underpinning knowledge and will access One File e portfolio during your off the job time in the work place to complete assignment work.

You will be assessed by assignments, online exams and practical observations.

Course Length

The Level 2 Apprenticeship in Customer Service is completed within 14 months.

Attendance

You will be working in a customer service environment, receiving training in the workplace and will attend the training centre for monthly training sessions in customer service and weekly sessions in functional skills. You must attend all sessions.

What else do I need to know?

The course will extend your knowledge, skills and abilities, which in turn will enhance your career prospects enabling you to be a valuable part of any business.

All training materials will be provided at the training centre.

What could I do next?

You will be able to progress to an Advanced Level Apprenticeship in Customer Service.

North Tyneside Council

Intermediate Apprenticeship in Painting & Decorating

Enrolment Requirements

For more information or to apply ring (0191) 643 2288
or
to apply online go to www.northtyneside.gov.uk/ala

In order to enrol on this course you **must** be in paid employment in a painting & decorating setting. You will be required to achieve a Level 1 standard in English and maths. You will attend knowledge and practical sessions in painting & decorating to support progress towards your qualification. You will be required to achieve a Level 1 standard in English and maths by attending weekly classes at one of our centres until completed. If you have existing English and maths qualifications that may exempt you from functional skills, original certificates must be seen before your apprenticeship begins to identify whether they adequately qualify the apprenticeship requirements. You will be assessed before starting the programme to ensure the above qualifications will be achieved within the time frame of your programme.

What will I learn on this course?

You will learn a variety of industrial painting techniques that will allow you to achieve Level 2 NVQ in Decorative Finishing and the Diploma in Painting & Decorating. You will attend training weekly in a real work environment to learn these practical skills.

Assessment

Awarding body: NOCN

Assessments will be through observation of performance in the workplace, practical tests at the end of each unit and work books. You must attend training sessions where you will learn specialist painting and decorating skills on a weekly basis until the end of your apprenticeship. You must be in the correct role to be able to achieve the full qualification; this will be discussed with your line manager. Progress will be tracked using an online e portfolio which must be accessed when required.

Course Length

The level 2 apprenticeship in construction is usually completed within 24 months.

Attendance

You will be working in a painting & decorating environment, receive training in the workplace and attend the training centre for sessions in painting and decorating as well as Functional Skills on a weekly basis. You must attend these sessions.

What else do I need to know?

The course will extend your knowledge, skills and abilities, which in turn will enhance your career prospects enabling you to be a valuable part of any construction business. All training materials will be provided at the training centre.

What could I do next?

You will be able to progress to an Advanced Level Apprenticeship in Decorative Finishing and Industrial Painting.

North Tyneside Council

Intermediate Apprenticeship Teaching Assistant

Enrolment Requirements

For more information or to apply ring (0191) 643 2288
or
to apply online go to www.northtyneside.gov.uk/ala

You must:

- Be employed at a school for 30 hours per week, working with children aged five or over
- Be in the correct role within school to achieve the qualification
- You will be required to achieve Level 2 standard in English, Level 1 in maths and ICT if you have not already done so. You must produce existing copies of English, maths or ICT certificates to assess their relevance if you have already completed the required standard. A decision will be made once these certificates have been seen. Otherwise all apprentices will need to attend weekly functional skills sessions from the beginning of their programme.

What will I learn on this course?

You will develop understanding of and demonstrate competence in the teaching assistant's role of supporting the teacher in relation to pupil learning, especially literacy and numeracy skills.

This will include:

- Child development
- Pupil learning
- The National Curriculum
- The legal and national requirements of equal opportunities, special educational needs, health and safety and safeguarding procedures.

You will also cover Employee Rights and Responsibilities and Personal Learning Thinking Skills. You will gather evidence for this as you build your portfolio of evidence (see below).

Assessment	Awarding body: Cache
<p>You will complete an E Portfolio of evidence which will hold all assessments completed. You will be assessed using a variety of methods, such as:</p> <ul style="list-style-type: none"> • Assignments • Observations of you working with children • Reflective accounts • Professional discussion • And many more. <p>It is expected that you will spend around 20% of your contracted time “off the job training” and will attend workshops every three to four weeks. You will need the support and approval of your employer who will work closely with you to review your progress. You will need to access One File e portfolio to work on assignments as part of your off the job training in the work place.</p>	

Course Length
<p>You can complete the course usually within 12-18 months.</p> <p>You will also receive regular individual reviews with your tutor and employer.</p>

Attendance
<p>You will be working in a school environment and receiving training in the work place as well as the classroom where you will learn underpinning knowledge for the qualification. You may also be attending weekly functional skills sessions. You must attend all sessions to ensure you progress through your qualification.</p>

What else do I need to know?
<p>You must be employed by a school for 12-18 months to complete the required assessments. An enhanced Disclosure and Barring Service certificate is required to be employed by a school.</p>

What could I do next?
<p>You will be able to move onto the Advanced Apprenticeship in Supporting Teaching and Learning in Schools.</p>
