

North Tyneside Council

## NCFE CACHE Level 2 Certificate in Common Childhood Illnesses

<b>Enrolment Requirements</b>	For more information or to apply ring (0191) 643 2288 or to apply online go to <a href="http://www.northtyneside.gov.uk/ala">www.northtyneside.gov.uk/ala</a>
Learners must be aged 19 and over and looking to increase their knowledge in childhood illnesses.	
You must attend an Induction session before you can begin your studies.	
Please note whilst the course is free, there is a £50 withdrawal fee if you chose to withdraw from the course.	

<b>What will I learn on this course?</b>
The purpose of this qualification is to increase learners' knowledge and understanding of common childhood illnesses to enable them to support the development and wellbeing of the infants and children they support/care for.

<b>Assessment</b>	<b>Awarding body: CACHE</b>
This course is delivered via distance learning. You will receive your own study pack, alongside a dedicated tutor who you can contact throughout your studies. Your study packs are comprised of a set of high quality knowledge workbooks that are designed to help you learn independently through a range of reflective activities. You will also receive assessment booklets in which you can document and demonstrate your achievement of the associated learning outcomes.	

<b>Course Length</b>
14 weeks

<b>Attendance</b>
You must attend the Induction session.
There will be a drop in workshop half way through your studies if you wish to access this for additional support.

## What could I do next?

Other Distance Learning Programmes such as:
